

CURRICULUM VITAE

Eleni N. Malissiova
DVetMed, MSc, MSc, PhD
Associate Professor
Animal Science Department
University of Thessaly

EDUCATION

- 2002** Veterinary Medicine, Aristotles University of Thessaloniki, Greece
- Specialization: Food of animal origin hygiene and technology
- 2004** MSc Food Safety, Hygiene and Management, University of Birmingham, UK
- 2005** MSc European Food Regulatory Affairs, University of Ulster, UK
- 2013** PhD Department of Medicine, University of Thessaly, Hygiene and Epidemiology- Public Health Laboratory

PROFESSIONAL EXPERIENCE

- 2002-2005** **Official Veterinarian** at **Lansdown Vets Ltd, Field Group Ltd, HMMH Ltd, GVSL**, representing Food Standards Agency (UK) in food of animal origin production units. .
- 2005-2006** **Official Veterinarian** at **Larisa prefecture (Greece), Veterinary Directorate** inspecting dairy and meat industry.
- 2006-2010** **Laboratory Veterinarian** at the **Greek Ministry of Rural Development and Food** (Athens Food Hygiene Institute and Larisa's Veterinary Laboratory).
- 2010-2017** **Lecturer of Dairy Technology and Quality Control – TEI of Thessaly, Food Technology Department** (FEK 327/26-4-2010 , FEK 634/22.5.14, FEK 662/37.7.2016). Educational, Research and Administrative duties and additionally nominated as **Departmental Quality Assurance Manager** and **Erasmus + coordinator**
- 2017-2019** **Assistant Professor of Dairy Technology and Quality Control – TEI of**

Thessaly, Food Technology Department (FEK 980/05.10.2017).

2019-2023 Assistant Professor of Dairy Technology and Quality Control – University of Thessaly, Animal Science Department (FEK 2148/14.11.2019)

2023-today Associate Professor of Quality, Safety and Technology of food of animal origin – University of Thessaly, Animal Science Department (FEK 714/17.03.2023)

EDUCATIONAL EXPERIENCE

UNDERGRADUATE LEVEL

2004-2005 Teaching Assistant (Food Safety and Food Regulatory Affairs) at the Department of Environmental Health and Risk Management, University of Birmingham, UK

2005-2006 Laboratory Lecturer (Milk Technology) at TEI of Larisa, Animal Production Department

2005-2006 Laboratory Lecturer (Quality Assurance) at TEI of Thessaloniki, Logistics Department

2009-2010 Adjutant Lecturer (Food Safety, Quality Assurance, Food Law, Food Ethics) at TEI of Larisa, Food Technology Department

2009 until today Scientific Collaborator (Zoonoses, Food Safety, Nutrition) at Medicine Department, University of Thessaly

2010 -2017 Lecturer at Food Technology Department, TEI of Thessaly

Organization and Teaching for the academic years (AY) 2010-2016 of the following modules:

Dairy technology and quality control (Theory and Lab), Food Safety, Quality Assurance and Food Law, Food Ethics, Meat and meat products technology and quality control (Theory and Lab), Fishery technology and quality control (Theory and Lab)

Additionally, during the AYs **2011-2012, 2015-2016**, I was responsible for the Food Safety and Quality Assurance module at the Department of Nutrition and Dietetics, while at the AY **2011-2012** I was responsible for the Food Toxicology module at the Food Technology Department. During the AY **2015-2016** Dairy technology and quality control was developed as open educational resource (theory and lab) <http://www.opencourses.gr/opencourse.xhtml?id=5090&ln=el>

AY 2016-2017: maternity leave

Total teaching hours: 2548

Students Evaluation of my teaching performance for the AY 2010-2016 was **4,7** (1-5)

2017-2019

Assistant Professor at the Food Technology Department, TEI of Thessaly

AY 2017-2018: maternity leave

AY 2018-2019: winter semester: maternity leave/summer semester: organization and teaching of Meat and meat products technology and quality control (Theory and Lab), Fishery technology and quality control (Theory and Lab) modules.

Total teaching hours: 180

2019-2022

Assistant Professor at the Animal Science Department, University of Thessaly

AY 2019-2020: maternity leave

AY 2020-2021: organization and teaching

At the **Food Technology Program Study:** Dairy technology and quality control (Theory and Lab), Food Safety, Quality Assurance (Theory and Practical), Meat and meat products technology and quality control (Theory and Lab)

At the **Animal Production Program Study:** Milk technology (Theory

and Lab), Meat technology (Theory and Lab)

At the **Animal Science Department**: General Chemistry-Biochemistry, Food Integrity (Theory and Practice)

AY 2021-2022: organization and teaching

At the **Food Technology Program Study**: Dairy technology and quality control (Theory and Lab), Food Safety, Quality Assurance (Theory and Practical), Meat and meat products technology and quality control (Theory and Lab)

At the **Nutrition and Dietetics Program Study**: Food Safety and Quality Assurance (Theory and Lab)

At the **Animal Science Department**: General Chemistry-Biochemistry, Food Integrity (Theory and Practice)

AY 2022-2023: organization and teaching

At the **Food Technology Program Study**: Food Safety, Quality Assurance (Theory and Practical)

At the **Animal Science Department**: Food Integrity (Theory and Practice), Meat Technology (Theory and Lab), Dairy Technology (Theory and Lab), Quality Assurance Systems and Certification (Theory and Practice), Innovative products of animal origin (Theory and Practice)

2023-today

Associate Professor at the Animal Science Department, University of Thessaly

At the **Animal Science Department**: Food Integrity (Theory and Practice), Dairy Technology (Theory and Lab), Innovative products of animal origin (Theory and Practice)

POSTGRADUATE LEVEL

2009 until today

Lecturer at the Postgraduate Study Program (PSP) **APPLIED PUBLIC HEALTH AND ENVIRONMENTAL HYGIENE**, Department of Medicine,

	University of Thessaly. Since 2015, I am also coordinating 3 modules
2016	Lecturer at the Postgraduate Study Program (PSP) INNOVATIVE SYSTEMS FOR SUSTAINABLE AGRICULTURAL PRODUCTION , Department of Animal Production, TEI Thessalonikis
2016 until today	Lecturer at the Postgraduate Study Program (PSP) BIOTECHNOLOGY-NUTRITION QUALITY AND ENVIRONMENT , Department of Biochemistry-Biotechnology, University of Thessaly.
2017 until today	Lecturer at the Postgraduate Study Program (PSP) INTERGRATED MANAGEMENT OF HERBAL AND MEDICINAL PLANTS , Department of Agrotechnology, University of Thessaly.
2022-today	Lecturer at the Postgraduate Study Program (PSP) ANIMAL PRODUCTION AND ENVIRONMENTAL MANAGEMENT , Department of Animal Science, University of Thessaly.
2022-today	Lecturer at the Postgraduate Study Program (PSP) Technology, Quality and Safety , Department of Fisheries and Aquatic Environment and Department of Food Science and Nutrition , University of Thessaly.

SYPERVISION OF UNDERGRADUATE, POSGRADUATE AND DOCTORAL THESIS

UNDERGRADUATE	During the previous 12 AY 85 undergraduate thesis were concluded (51 experimental and 34 literature reviews) under my supervision, while 10 are in progress. http://dionysos.teilar.gr/classweb/getStaffThesis.asp
POSTGRADUATE	During the previous 12 AY 34 postgraduate thesis were concluded under my supervision/co-supervision, while 6 are in progress.
DOCTORAL	Supervision of 2 doctoral thesis (in progress) and participation at the 3-member supervising committee of 1 doctoral thesis (completed)

EUROPEAN PROJECTS

2007: **INTERREG III A / GREECE – ITALY 2000-2006 – "INNOVA PROJECT – Actions for the transfer of innovation in common strategic sectors" (Code No I2101031) – STRATEGIC SECTOR: Agroalimentary.** TEI of Epirus (member)

2007-2008: **Evaluation of the production of indigenous animal breeds, innovative production of biomedical product and conservation of biodiversity in the cross-border areas of Greece - Italy.** TEI of Epirus (member)

2013-2014: **SHIPSANTrainet-Food Safety.** Hygiene and Epidemiology Lab-Medicine Department, University of Thessaly (member)

2014 –2015: **Application of 'ohmic' technologies for the genetic characterization of domestic breeds of goats and sheep, to improve their production and to identify potential bioactivity in their milk.** GOSHomics. TEI of Epirus (member)

2014- 2017: **Design, development and pilot testing of freely accessible online educational material, for a common group of modules intended for "Food Science" Students.** ERASMUS+, TEI of Thessaly (member)

2015-2016: **Establishment of a Supporting Mechanism for the Development and Promotion of Social Entrepreneurship for Populations of Mountainous Areas.** Aristotles

University of Thessaloniki (member)

2015-2018: **Improving Allergy Risk Assessment Strategy for New Food Proteins**, COST action 1402 (member)

2018-2021: **Innovative Dairy Science education materials development, focused on Products, Processes, Quality, Safety & Entrepreneurship, using Information and Communication Technologies (ICTs) and Open Educational Resources (OER)**. Erasmus+ KA2 (Coordinator)

2019- 2022: **International Mobility ERASMUS with AlBalqa University (Jordan)** (Coordinator)

2021- 2023: **EASY GOV - Laboratory Management Platform**. Erasmus+ KA2 (Coordinator for UTH)

2022- today: **Innovative digital tools applied to sustainable Meat Science and Technology Higher Education: a link between industry and academia- InnoMeatEdu** Erasmus+ KA2 (Coordinator for UTH))

2022-today: **GP/EFSA/NUTRI/2021/01- Support to EFSA in the Safety Assessment of Novel Foods and Nutrient Sources** (member)

2022-today: **International Mobility** (ERASMUS +) with Universities in UAE and Albania (Coordinator)

NATIONAL PROJECTS

2014: Summer School on the **Local AgriFood Production**. TEI of Ionian Islands (member)

2014: **" + WORKS - Local Initiatives for new Employment Opportunities in Volos" - TOPSA Volos Livestock Consulting** (member)

2014: **Sustainable entrepreneurship of milk production and processing units with emphasis on Product Safety, Quality and Innovation** (Coordinator)

2015: **Consulting on food safety issues in the company G. Svarnas** (Coordinator)

2015-2016: **Open Academic Courses for the TEI of Thessaly** (member)

2016- today: **Scientific Supervision, Veterinary Services, Consulting in the company I. Maisoglou** (member)

2017- 2018: **Product development: Olives stuffed with dairy for the company OLYMP**

(coordinator)

2019-2020: **The physicochemical characteristics of Damaskinoelia Argolida in various stages of maturation, Innovation Coupon, PELP1-0016163** (member)

2020-today: UTH Training and lifelong learning center: **Dairy Science** (Coordinator)

2020-today: UTH Training and lifelong learning center: **Methodological tools for developing and managing management systems for food production and control: ISO 22000:2018, ISO 9001:2015, ISO/IEC 17025:2017** (Coordinator)

2020-today: UTH Training and lifelong learning center: **Agrifood heritage and Entrepreneurship** (Dep. Coordinator)

2021: **Cleaning study of the lithic decoration of Theopetra cave**, «Thessaly 2014-2020. (Member)

2022-today: UTH Training and lifelong learning center: **Principles of Oenology: from the vine to the glass** (Dep. Coordinator)

ADMINISTRATIVE ACTIVITY

2010-2019

At TEI of Larisa, TEI of Thessaly and University of Thessaly:

- Participation in a number of committees (receipt, purchases, safekeeping, catering, green, tenders, international tenders, staff evaluation, etc.)
- Head of the Milk Laboratory of the Department of Food Technology, TEI of Larissa
- Supervision of internships of many students in the Milk Laboratory

- Head of Promotion and Publicity of the Department of Food Technology, TEI of Larissa
- Quality Assurance Manager of the Department of Food Technology
- Expert / Evaluator of the Greek Accreditation System (ESYD)
- Coordination / participation in a variety of proposals in the ECOTROPHELEIA competition (Lactomelo, Double Joy, OnVit, Doncake etc.)
- Voluntary contribution to the charity I OFFER through the development of a HACCP study for the preparation of food and the training of volunteers on food safety issues
- Organization of numerous workshops and Summer School (Triptolemos, KPE Mouzaki, KPE Elatis-Pertouli, Local Agrifood etc.)
- ERASMUS Manager of the Department of Food Technology of the TEI of Thessaly
- Member of the temporary assembly of the Department of Food Technology of TEI of Thessaly
- Development of a number of international collaborations within the framework of the ERASMUS + KA1 program (Universities of Burgos, Leon, Parma, Campobaso, Foggia, Turin, Firenze, Ancona, Poznanm, Bucharest, Minho, Osijek, Coimbra, Bratislava etc.)

2019-2021

At Animal Science Department, UTH:

- • Member of the Quality Assurance Committee (2019)
- • Coordinator of the Student Affairs Committee (2019)
- • Internship Manager (2019)
- • Director of the Food of Animal Origin Laboratory FEK 41 (27-01-2021)
